Add a Supplement to your Treatment for only \$35

All supplements are enriching; some offering a deeper penetration of product, supporting your collagen and elastin, which preserves your youth.

Galvanic (micro current) — drives product down deeper and encourages circulation.

High frequency — Reduce breakouts by fighting bacteria.

Aromatherapy— Special blends. Relax, energize, cold, flu and stress relief.

Paraffin dips — Great for dry, mature, & sun exposed skin.

This treatment is also great for arthritic sufferers. The heat penetrates down to the bone and increases circulation.

Waxing—Eye, lip, & chin only.
